Below are some of the key features for FIFA 22: Complete gameplay package The game features the brand-new cover athlete, Lionel Messi. He will be playable on and off the field and will be joined by Alessandro Del Piero and Andrea Pirlo, completing the world-renowned trio. All-new features drive gameplay A brand-new experience based on the best innovations from the biggest football clubs and leagues around the world. FIFA 17 introduced intelligent player AI, that anticipates opponents' game-changing moves in order to neutralise their key strengths. "FIFA 18" and "FIFA 17" received rave reviews from critics and fans all around the world. This year will push this evolution and feature all-new soccer AI and true-to-life player movement, tackling and on-the-ball actions, improving every aspect of gameplay. A new FOX Engine powered by the very latest in CryEngine technology continues to bring next-generation visuals and more realistic play to the game. The game will also feature improved gameplay cinematics and gameplay presentation that aim to immerse players in the most authentic, realistic and emotionally engaging gameplay experience ever achieved in a football video game. One camera positioned in the middle of the pitch, allows the players to be viewed from numerous angles, while some of the most interactive and exciting features in the game will enable players to see the field from any angle they choose. Defending Players can now commit to defending, using their whole team to stop other teams scoring. This is just one of the innovations coming to the defensive game. Expect exciting and innovative defending with new system mechanics to help defenders or attackers better control the match. New set pieces Compete against and cross your opponents with an array of new skills and techniques on the new set pieces. From a new curved half-volley to a high-flying cross-shot, FIFA's new set pieces are as dynamic as the way you play the game. Dynamic weather FIFA will feature dynamic, realistic weather effects. As the seasons change, the weather will have a real impact on the way you play. Want to increase the pace and creativity? Just ask for a sunny day. Or risk the fans and the ref in a blizzard? You can be guaranteed that this will only make the match more exciting! New Team Starters

What's new:

- **FIFA Ultimate Team** - The debut of FIFA Ultimate Team in FIFA 22 is the game's biggest feature release so far. Players can compete against other Ultimate Team players in knockout style FIFA tournaments. FIFA Ultimate Team Challenges enable you to play 10 games with 10 club partners to assemble the perfect squad for your next match. Using FUT coins, players can trade packs that contain new players, add-ons, and other items to enhance Ultimate Team squads. FUT coins can also be used to unlock priceless player cards, gear, and new items in the FUT packs. Your skills on the pitch matter as players have the opportunity to earn real cash depending on their performance and pass ratings. There will be more stunning cards than ever before, players will earn FIFA points based on how they perform, sell their skills to aspiring managers, and more. FUT Ultimate Team will debut in FIFA 22, with 10 new Challengers and worldwide competitions to compete in.
- **FIFA Ultimate Team on PS4** — The addition of player and team cards to FUT Ultimate Team gives more options to customize and unlock your team, such as a whole new team of Challenger players to compete against.
- **New full stadium** : Man City, Celtic Park, Camp Nou, Tottenham's Club and the new Stadio Olimpico.
- **FIFA 22 introduces "HyperMotion Technology,"** which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- **Adidas TOTY 2016** — Adidas TOTY is back with even more players, teams, and gorgeous visuals. For the first time in the history of this competition, 16 national teams from 10 different confederations will be competing at this year's Adidas TOTY. FIFA 22 allows for an advanced visual customization of player kits, shorts and gloves including precise alignment, sublimation technology, new 3D designed garment mesh & new hands visualized on player models.
- **New Game Modes** — Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory.
